

COURSE BY COURSE EVALUATION REPORT

Name:	Hui Li	Certificate Number:	TAR2024STO575229
Date of Birth:	7 September 1994	Report Date:	27 May 2024
Reference:	WSE939686		

This document is limited to the confirmation of the course documents of the University of Cambridge ,Pure Mathematics and Mathematical Statistics project in United Kingdom

GPA:	82.67	Course End Time:	06 April,2024
Country of Institution:	United Kingdom	Institutional Attributes:	Public University
Institution:	University of Cambridge		
Credential:	Doctor of Philosophy		
WSE Equivalence:	4 Years Full Time		

Institution Credit

Semester	Courses	Mark	Credits
EASTER TERM 2023	Advanced Financial Models	80.00	0.00
	Stochastic Processes in Biology	88.00	0.00
	Topics in Convex Optimisation	79.00	0.00
	Information Theory	81.00	0.00
EASTER TERM 2022	Dynamical Systems	88.00	0.00
	Applied Probability	78.00	0.00
	Statistical Learning in Practice	75.00	0.00
	Statistical Field Theory	83.00	0.00
EASTER TERM 2021	Stochastic Financial Models	90.00	0.00
	Principles of Statistics	85.00	0.00
	Numerical Analysis	82.00	0.00
	Probability and Measure	83.00	0.00
During this school, Total semester hours of credit: 0
